PRIVACY POLICY

When it comes to financial affairs, we expect a relationship built on privacy and integrity. That's why Advanced Property Analysis (APA) does not sell, trade, or exchange client lists or any other client information to outside companies. Advanced Property Analysis is a software service of DBS Consulting, Inc. (DBS). This notice outlines what DBS does to protect client personal information and describes how you can limit the sharing of this information. If you already have instructed us not to share this information, you do not need to do anything. We will continue to honor your request.

Keeping Your Information Secure

To keep information confidential and appropriately protected, we have policies that limit access to your personal information. Only those employees who need your information to perform their jobs and provide services to you will have access to your information. We also maintain physical, electronic, and procedural safeguards that comply with federal standards to guard your personal information.

Collecting Information

We collect information you provide on applications, forms, web sites, and conversations. Additionally, we collect information from third parties (with your permission); from your transactions with us, our affiliates and our joint marketing partners; and from consumer reporting agencies.

Sharing Information

Only under certain circumstances and only as permitted by law, will we disclose any of this information about our clients and former clients to unaffiliated third parties, such as companies that perform marketing and other services for us. In addition, we may share information we collect about our clients and former clients with our affiliated companies.

Privacy Preferences

DBS respects your right to restrict the information we disclose to our affiliates and joint marketing partners for marketing purposes. You may use the following methods to direct us not to share information about you for marketing purposes:

- 🚩 By checking this box and returning a copy of this document to us
- 🚩 By emailing us at: info@advancedpropertyanalysis.com
- 🚩 By calling 1-818-967-8795, Monday through Friday, 9 a.m. to 5 p.m. Pacific Time
- 🚩 By writing to us at:
DBS Consulting, Inc.
321 N. Pass Avenue, Suite 220
Burbank, CA 91505

Exclusions

Please note that even if you ask us not to share information for marketing purposes, we still may share that information for other reasons, such as to service your existing accounts. In addition, the DBS affiliate that originally collected the information still may use it for its own marketing decisions.

Keeping You Informed

If our information-sharing practices change, we will send you a revised notice. This privacy notice applies to all affiliated companies
